FREE SOUTH AFRICA

We are raising our voices in Solidarity with our suffering Brothers and Sisters in **South Africa** and with our suffering Brothers and Sisters in **New Jersey!**

We demand an end to U.S. policies which favor the exportation of American jobs to countries which exploit their own labor force-like South Africa.

Five of every six South Africans are Black.
Yet:

- **They are non-citizens: They can not live or work where they choose and they have no right to vote.**
- **They risk jail if they strike for better wages or justice on the job.**
- **They are confined to live on only 13 percent of the poorest land in their own country.**
- **Those who dare to protest the oppression are jailed -- often without trial (Nelson Mandela for more than 20 years).**
- **More than 700 men, women, and children have been killed in the last year.**

In New Jersey:

...We have scandalous unemployment--Jobs are still leaving our area.--Minority youth unemployment exceeds 50 percent.

...We lack decent, affordable housing--families are without adequate housing--There are homeless in our streets.

...Our communities have experienced grevious cutbacks in funding for educational opportunities, job training and retraining programs, and housing assistance.

...Many do not have enough to live on (social security, welfare, food stamps.).

HOW TO SAVE TRAVEL DOLLAR$

By Lorraine Lavender, CTC

ALWAYS CALL YOUR LOCAL TRAVEL AGENT

If you're not using a travel expert it's a good bet that -- you're losing money!!!

Just like a good broker, a good travel agent helps you to make wise investments with your travel dollars. A good travel agent can save you money and take the frustration out of trying to make reservations. Most people call the airlines directly because most people believe travel agents charge a fee. In m ost cases, there is no charge for my service. Now where in this world can you get expert advise free???

Did you know that the object of any airline is to sell their services? So ABC Airline will not tell you about XYZ's Services and it's a good bet that you will end up spending more money and still not have the exact trip you want. I have all airlines, hotels, and car rental companies at my disposal. In fact you could say, I have the whole world at my finger tips.

Next time you get ready to travel, whether it be just a round trip ticket to anywhere U.S.A. or a trip around the world, whether you're going by bus, train, air, or ship, staying just one day, goinig for business or pleasure or even when an emergency calls, pick up your telephone and call Lorraine Lavender, CTC - 743-4222 or 675-1496 your travel expert. Put yourself in capable hands and we at Aries Travel can give you the whole world or any part. Call an expert first!!

THE AFTER HOUR NEWS PAYS TRIBUTE TO BLACK ACHIEVEMENT. STARTING WITH PEDRO NINO'S DISCOVERY OF AMERICA IN 1492.

History doesn't tell us much about Pedro Alonzo Nino, the black navigator who played an important part in the discovery of the New World.

But then, history doesn't tell us much about many achievements by blacks.

The staff of After Hour News are out to do something about that. We're putting together one of the most extensive collections of memorabilia and reference material on black history you'll be able to find anywhere.

Dear Doctor Love:

My girlfriend wants to give me a lot of lip service, but no love.

Please explain lip service.

Dear Doctor Love:

I am a married man with two children and a wife, but I'm in love with another man who gives me a funny felling whenever we are together. He doesn't know how I feel, and would resent me — that is what I believe. What should I do?

Before doing anything, think — do you still love your wife and children? If the man doesn't know about you — forget him.

Dear Doctor Love:

I am a virgin, 25 years old, and having sleepless nights about a fellow that I've been going with for over a year. He hasn't asked me yet.

You are as rare as a rose in Alaska — maybe you should give him a hint.

Dear Doctor Love:

My wife is a very light skinned women and I'm light brown skin, yet we have two children who are extremely dark and don't look like me. I am a musician and away from home a lot.

Genetics — it could be that both of you had dark ancestors. Keep the faith.

Dear Doctor Love:

J.H., my wife goes out with my best friend's wife next door, and they don't come home till morning, and with more money than I gave her — what's going on?

She must be working nights to surprise you.
